

 areas to be cut
out of pumpkin

INSTRUCTIONS

- 1) Print out this pattern.
- 2) Prepare pumpkin by carving out a lid and cleaning it out.
- 3) Tape or pin this pattern to the pumpkin.
- 4) Use a tool or nail to poke small, shallow holes through the paper following the lines of the pattern.
- 5) Once the lines have been traced, remove the pattern.
- 6) Following the poked lines, carve out the pattern.
